

Instructions for TimeWise Repair Trial Facial

Instead of tearing the packets, puncture the packets with a safety pin and squeeze out a small amount. This way, you should be able to use each packet 2-6 times.

1. Using a small amount of cleanser (about the size of a pea) and water, create a rich lather and massage over face and neck. Rinse well with a warm wet wash cloth.
2. Smooth some of the Serum on your face and neck.
3. Pat eye cream around your eye area.
4. If you are doing this in the morning, apply day cream to your face and neck
5. If you are doing this in the evening, apply the night cream to your face and neck.
6. ENJOY!
