

## Get High-Definition Skin with Microdermabrasion Plus Set

**HOW TO APPLY:** After thoroughly cleansing, 2-3 times a week (non-consecutive days) apply a small amount of TimeWise® Microdermabrasion Refine to wet face with fingertips. Using circular motions, gently massage over face. Rinse thoroughly with warm water and pat dry (best if used in the shower). Use fingertips to apply 1-2 pumps of TimeWise® Pore Minimizer to face in an upward and outward motion. Follow with any age-fighting serums and your moisturizer. The Pore Minimizer can also be used daily, twice a day after cleansing, to reduce the appearance of pores.
